### Tile Trends and Rising Stars From Coverings 2021

In the weeks preceding Coverings 2021, we explored trending tile styles that we highly anticipated seeing in-person at the show: large hexagon tile, assorted aggregates (terrazzo) tile, green tile, XXL tile, and biophilic styles. Instagram style influencers did not disappoint with sneak peeks at what were indeed this year's hottest trends on the show floor.

### Recreating a Quarry Wall Through a Lobby Installation at 100 Bishopsgate

100 Bishopsgate is a development of two mixed-used buildings in London's financial district. On the walls of the ground floor and lobby, a wide range of Lasa White marble from Carrara, Italy was used to welcome visitors to the complex. All of the walls, specifically the lobby's feature wall, were vein-matched to convey a solid look: a feat that took time and planning to achieve.
