Coverings®
THE GLOBAL TILE & STONE EXPERIENCE

Sneak Peek of the Products You'll Find at Coverings 2021

Every year, tile, stone, and design industry professionals attend Coverings to explore and experience the impressive array of new product introductions, trends, installation materials, tools, and technology from hundreds of global manufacturers. **Coverings 2021**, taking place this July 7-9 at the Orange County Convention

Center in Orlando and virtually, is no exception.

Take a Peek

2021 Tile Trends:

Vast Veining in Marble-Look Tile

Coverings 2021 is around the corner, and we're hyping ourselves up by looking at the top 2021 tile trends we expect to see on display. This week's focus is a new take on a long-time favorite: marble-look tile.

How Marbleous

Tile of Spain Announces Schedule of Events for Coverings 2021

Tile of Spain, the international brand representing over 120 ceramic tile manufacturers from Spain, announces its schedule of events for Coverings 2021, being held July 7-9 in Orlando, Florida

Play-by-Play

Congratulations to the Coverings 2021 Rock Stars!

Coverings is pleased to announce that 16 emerging tile & stone industry leaders have been selected as Coverings 2021 Rock Stars. The Rock Star program furthers Coverings' mission to support the growth and success of the industry by distinguishing talented young leaders and fostering networking and educational opportunities.

Rock This Way

The Coverings Lounge – A Can't-Miss Destination at Coverings 2021

This new space on the show floor will feature education sessions, live interviews, coffee in the morning and beer in the afternoon, contractor tours of the show floor, product raffles, and more. Plus, a stunning mosaic tile project will be broadcasted live and unveiled by National Tile Contractors Association members during Coverings in The Lounge.

How to Make Natural Stone Play a Starring Role in a Kitchen Design

Jan Neiges is a certified master kitchen and bath designer who has been helping her clients define and realize their visions for beautiful and functional high-use living spaces for over two decades. Neiges sees natural stone as a go-to material because "every piece is unique, especially if one selects the stones that have more colors, movements, and patterns."

2021 Tile Trends: Green Tile

As we anticipate Coverings 2021, thinking about the 2021 tile trends we expect to see is helping us pass the time. This week brings us to green tile, a trend we couldn't be more excited about. Of all the colors we can explore, green ceramic tile options are enormously varied. We're here to show you that green tile can be everything from retro to regal, and then some.

The Green Room

NTCA Artisans in Tile Live-Streamed Program, Centers

on Florida-Themed Mosaic Mural

Two Certified Tile Installers will give insight into their process of designing and developing a Florida-themed mural, choosing materials, templating methods and a reveal of parts of the design that will be installed as completed art piece to be broadcast live to attendees during Coverings 2021, July 7-9.

Artists Unleashed

Six Strategic Reasons for Using Ceramic Tile in Multipurpose Spaces

Multipurpose spaces are becoming the norm in our homes as we find ways to fit all of our activities into areas of the house.

And, as we transition back to normal everyday life after the pandemic, multipurpose spaces will see more demands than ever before, including an enhanced focus on cleaning and hygiene.

Four Ways to Use Natural Thin Stone Veneer

Natural stone is mother nature's oldest building material and has been used throughout history to create countless commercial and residential features. Thin stone veneer was introduced in the twentieth century, but only in the last 5-7 years has it become a premier choice in the natural stone industry.
