## News From the Tile & Stone Industry

Coverings®  
THE GLOBAL TILE & STONE EXPERIENCE

### 2021 Fall-Winter Tile Trend Report

Frescoes, florals, and fabrics, oh my! To possibly offset the dreariness of the pandemic, this year's edition of Cersaie was popping with exuberant colors, intricate patterns, and tactile surfaces. Ceramic experimentation was at an all-time high with manufacturers introducing show-stopping tile designs.

#### Show-Stopping Trends

### Show Off Your Style With Powder Room Tile

Style is king when it comes to this room of the house. Learn how to wow your guests and make a strong design impact with powder room tile. Powder rooms are strong selling points for houses on the market. If you think of powder rooms as small bathrooms, you're on the right track.

#### Pow WOW

### 5 Reasons to Use Natural Stone

The use of natural stone on buildings and paving can be traced back to the beginning of civilization. In many ways, our ancestors in the building industry applied sustainable practices by using the larger quarried blocks for building construction and smaller waste pieces for erosion control and walkways.

#### Building Blocks

### How to Install Tile with Electrical Radiant Heating

Tile is a natural for radiant heating. However, installing tile with radiant heating can get overwhelming as the *TCNA Handbook* includes multiple methods that address this type of installation.
