THE GLOBAL TILE & STONE EXPERIENCE

### Tile Color Inspiration Room by Room

Searching for a tile color for your space? With so many attractive tile colors to choose from, settling on the perfect one can be a challenge. While the right tile color for you depends on many factors, including your personal aesthetic and the size of your space, your first consideration should be the function of the room you plan on tiling.

#### Color Code

### How to Deal with Flooded Tile Installations

Flooded tile installations have been top-of-mind lately given two extreme hurricanes within two weeks. In anticipation of questions, CTEF has pooled together advice about how commonly dry area tile installations act as a submerged swimming pool-like installation for a period of time.

### On the Surface: Choosing and Caring for Natural Stone Finishes

Kat Coleman, owner and principal of Long Beach, California-based Topkat Design Group, had a client who loved Carrara marble and wanted her entire bathroom to feature natural stone: main bathroom floor, shower floors, and walls with a decorative feature wall behind a claw-foot tub. "We are talking Ritz-Carlton style," Coleman says.

Great Care

### Supermarket Architecture

Following his experience working with Ignazio Gardella on the Esselunga

### 2021 CID Award Winner Spotlight: Additional Special Recognition Projects

supermarket projects, Carlo Alberto Maggiore continued to modernize the architectural image of these retail spaces with his design for the new Migross supermarket chain's flagship store in Bozzolo in the province of Mantua.

At Coverings 2021, we honored outstanding Special Recognition projects that demonstrated spectacular craftsmanship and creativity in the use of tile & stone. Check out this spotlight on projects who were recognized across a variety of types.
